Hello... On Saturday, March 20th, I'll be sponsoring your 4th annual neighborhood garage sale. In the past I've only included a portion of your neighborhood, but this year I'm doing 100% of your area.

This is a great time to get rid of those dust collectors and space hoppers while converting them into cold-hard-cash! I'll be placing the advertising and installing/removing the directional signs. All you'll need to do is set up your items for sale on **your own** driveway. --- Let me know if you want to take advantage of this offer. I'll be distributing special information packets to those who want to participate.

(I'm often asked... "Why am I doing this?" Well... I do this as a service to the community, and a way to meet folks. I'm trusting that when the time comes for you to need the expert knowledge and hard-working service of an up-front and direct-to-the-point Realtor, you'll think of me. (See testimonials on my web site)

You can easily reach me by going to my web site and selecting the "Garage Sale Link" at the top of my page. Anyway, that's it for now. Let me know what you want to do. ---- March 20th will be here before you know it. Act now!! -- *John Baker*
